Rules

All games will be played under the Rules of the Royal Caledonian Curling Club. The competition will be run on the leagues system with two points being awarded for a win and one for a draw. In the event of two or more teams finishing with an equal number of points play-off games will be arranged to decide the winners and runners up.

The annual meeting is to be held after the first game of each new season

NOTE

Under the Minute of 4th May 1967, which states that a club defaulting three times in two years should be required to retire from the League. Also that the defaulting club would be asked to give an explanation at the AGM.

It was decided at a meeting of the Carse League on 23rd April 1984, that if a team is short of players the game should start on time. The defaulting team will lose up to a maximum of 6 shots and thereafter the game will continue as normal.

Under the Minute of 27th April 1970, it was agreed that during September and October occasional members from other league clubs will be allowed to play (except as skips) during this period.
